

SAAB Automobile AB bankruptcy estate enthusiast car auction

There are three different main categories of restrictions on the cars being sold. It is important for you as a buyer to carefully read the description of each car on www.kvdauctions.com and www.kvd.se. The descriptions show exactly what applies for each car. Which category a car belongs to, is written in the description of the car on the websites on www.kvdauctions.com and www.kvd.se.

Blue Category: Vehicles in bonded warehouse

Customs declaration and fees are assigned the buyer of the vehicle. Objects in this category are in a customs free zone. For example, if a person wants to pay fees for the vehicle in Sweden, an additional 10 % of custom fee, 25 % of VAT and approximately 3000 SEK in administrative fees will be paid by the buyer.

Orange Category: Deregistered objects that have been on a so called test car dispensation for SAAB and are not allowed to be used in traffic.

The objects in this category are deregistered objects that previously have had a test car dispensation for SAAB, and **are not allowed to be used in traffic**. Objects in this category is not approved vehicles and is only suitable as collectibles for private collectors, museums etc.

Purple Category: Deregistered vehicles that have been on a so called, test car dispensation for SAAB

The vehicles in this category are deregistered vehicles that previously have had a test car dispensation for SAAB. Vehicles in this category are not possible to register in Sweden since they are deregistered test dispensing vehicles in Sweden.

Observe!

In addition to the restrictions on these main categories, there are cars with other restrictions. On each car in this auction there is detailed information about which category the vehicle belongs to and the restrictions for the object. Which category a car belongs to, is written in the description of the car on the websites on www.kvdauctions.com and www.kvd.se.

Det finns tre olika huvudkategorier av restriktioner på objekten som säljs. Det är viktigt att du som köpare noga läser beskrivningen av respektive objekt på www.kvdauctions.com och www.kvd.se. Där står vad som gäller för just det objektet.

Kategori blå: **Fordon i tullager**

Tulldeklaration och avgifter åläggs köparen av fordonet. Dessa objekt är inte tullade utan står i tullfri zon. Om man exempelvis skall tulla in objektet i Sverige tillkommer det 10 % tull, 25 % moms och ca 3 000 kr i fasta administrativa tullkostnader.

Kategori orange: **Avregistrerat objekt som gått på provbilsdispens och som absolut inte får tas i trafik**

Samtliga av dessa objekt är avregistrerade objekt som tidigare gått på provbilsdispens för SAAB och får absolut inte tas i trafik då de är ej typgodkända fordon. Dessa objekt lämpar sig som samlarobjekt för privatsamlare, museer eller liknande.

Kategori lila: **Avregistrerat fordon som gått på provbilsdispens**

Fordonen i denna kategori är avregistrerade fordon som tidigare gått på provbilsdispens för SAAB. Dessa fordon går ej att registrera i Sverige då de är avregistrerade provbilsdispensfordon i Sverige.

Observera!

Utöver dessa huvudkategorier finns det ett antal bilar med andra restriktioner. På varje objekt på denna auktion finns det detaljerad information om vilken kategori fordonet tillhör och vilka restriktioner som gäller för just det objektet.

Vilken kategori fordonen tillhör står i dess objektsbeskrivning på hemsidorna www.kvd.se och www.kvdauctions.com.
